While the above is a base line price schedule, all fleet services are customizable to the needs of your business or collection. We pride ourselves in building the perfect package for you, not a one-size-fits-all service.

\*\*\*Our Fleet Services contracts are based on at least 2 services per month. Contract terms are quarterly (3 months), bi-annually (6 months) or annually (12 months). We recommend annual contracts with quarterly revisions to account for changes in needs as the seasons progress.\*\*\*

No matter your needs, we will develop a convenient solution focused on your needs. Contact us or visit [WWW.RRMDC.COM/FLEET](http://WWW.RRMDC.COM/FLEET) for full terms and conditions
